## FUNDAMENTALS OF THE FUNDRAISER – HOW IT WORKS:

Participants will place an order for whatever scrip gift cards/certificates to national and local retailers they wish at face value. The Troop, as a non-profit organization, purchases the scrip card orders at a discount and thus the difference (less the cost of the shipment paid by the Troop) becomes revenue for the Troop.

For example, let's say a family may wish to purchase one \$25 certificate to Sports Authority, one \$25 certificate to Stop & Shop, a \$100 certificate to Home Depot and three \$10 certificates to Dunkin Donuts to give as gifts or use themselves. A check for the total \$180 face value would be made payable to BSA Troop 125. In return the scout family will receive the full \$180 in certificates (1-\$25 Sports Authority, 1-\$25 Stop & Shop, 1-\$100 Home Depot and 3-\$10 Dunkin Donuts) to give or use as they like. Every dime spent by the participant is returned to them in gift cards – no extra cost and we do the leg work! The Troop gets the net revenue generated as it purchased the order at a discount (the discount percentage from each retailer does vary) less the shipping charges the Troop pays.

To see complete details, terms and restrictions for any retailer, please log on to [www.glscrip.com](http://www.glscrip.com) where samples of the cards and details will be displayed (*select the "Order Scrip" tab and choose or search for the vender*).
