Here at the ranch we provide a fun and friendly environment for scouts to earn their

HORSEMANSHIP MERRIT BADGE

We have been approved councilors for over ten years, with the Hudson valley council and the Sara wells girl scout council.

The day is filled with hands on learning experience.

- Feeding and responsibility
- History of horses and breeds
- Grooming and care
- Health and behaviors
- Saddling and riding

At our facility we provide an affordable safe and fun program for the kids to learn about horses. We begin the workshop at 8:30 am and provide lunch, and horse around until everyone has earned a merit badge for \$45.00 pp.

Our campsite is always available and free of charge!
